

An architectural site plan for a residential development. The plan shows several white building footprints with internal room divisions, including staircases and courtyards. The buildings are arranged around a central paved area and are bordered by green lawns and small trees. The entire development is set within a larger context of a brown-toned map showing surrounding streets, parking lots, and other buildings. The title 'SCHLOSSHÖFE ESPASINGEN' is printed in large, bold, yellow-green capital letters at the bottom of the plan.

SCHLOSSHÖFE ESPASINGEN
